

TIPS & TRICKS

HOW TO CHANGE THE DEFAULT LOCATION

You can change the default Land Registry Office (LRO) location in the **Account** section located in the top right of GeoWarehouse.

- Select **Account>My Account**

- Select **Preferences >General**
- Select the arrow ▼ to the right of the current **Location**.
- Scroll to find and select the desired location from the list.
- Select **Save Preferences** at the bottom of the page.
