How to Request a Residential Relocation Report

The Residential Relocation Report provides an overview of real estate transactions that have occurred within the specified Land Registry Office (LRO), Municipality or Forward Sortation Area (FSA), within a given time frame. The information included in this report has been sourced using Teranet's exclusive land registry data.

You can request a Residential Relocation Report from a property report or the GeoWarehouse store.

To request a Residential Relocation Report from a property report:

1. Select the **Residential Relocation** section in the grey banner at the top of the report.
2. Select **View Details** for the desired report.

3. If you select the Residential Relocation Report for LRO (Land Registry Office) or Municipality, a window will appear where you can choose the quarter*.
